Preventing Violence  
Promoting Respect  
Strengthening Lives

**TPN is so grateful  
for all you've done this year.**

We at TPN are so grateful for everything you've done this past year, and every year. Your continued support in any form means much more than you can imagine. We thank you for your hours of dedication as volunteers, your monetary gifts, your active engagement in events and your kind heart for all that you contribute to our mission. We hope you take a moment to celebrate *you* this holiday season, and all that you've done for and with us. Truly, we couldn't have done it without you. Wishing you the very best in 2016.

*Thank You*

Happy Holidays,

TPN Staff
