

It's here...our BIG 10th year!

Mark your calendars now! You don't want to miss making TPN history with us!

Turning Points Network is celebrating a very special 10th anniversary this spring. Steppin' Up to End Violence 5K Walk and Fun Run is an event where Sullivan County communities come together in a public show of support for TPN and the agency's mission to end domestic violence, sexual assault and stalking. On April 30th, community members, Sullivan County-wide, will join together for the tenth time to celebrate a decade of "stepping up" to end violence.

In honor of our 10th year of Steppin' Up To End Violence, we've set a goal of 60 participating teams and a financial goal of raising \$100,000 together. This is a huge goal, but we are excited and energized to work hard and achieve it with your help! We'll be looking to teams, sponsors and some exciting 10th year challenges and matches to help us reach this historic goal. Last year you blew right past our goal, bringing in over

\$75,000 to ensure continued services for survivors as well as prevention education throughout Sullivan County.

Your dedication in the past has been extraordinary and we hope to see new faces this year to celebrate a decade and light the way for the next ten years! We're so excited for this year's event and can't wait to see you there! Keep an eye on your inbox for Team Leader information and join the event on Facebook ([Visit the event by clicking here](#)).

Early Confirmed Teams

Know any celebrities?

To reach our **\$100,000** goal, we hope to reach out to foundations and celebrities. If our community raises \$75,000 as you all did last year, would they 'put us over the top' with a donation to reach \$100,000? **Do you know any celebrities that might like to help us make history?** Anyone who might especially value the work of TPN: "Preventing Violence, Promoting Respect, Strengthening Lives"? Know of any foundations that we

should connect with? We would appreciate any leads or ideas as we work toward our goal. Email our Executive Director, Deborah Mozden, at deborah@turningpointsnetwork.org.
