

## No Name-Calling Week

January 16th through January 20th is No Name-Calling Week! GLSEN is supported by more than 60 National Partner Organizations in efforts to help your school "put kindness into action." Join other schools across the country in putting an end to name-calling.

With No-Name Calling Week is just a few days away, GLSEN has activities for elementary, middle and high schools that you can do easily! [Click here](#) for bystander tips you can post to help students "Take a Stand, Lend a Hand." Print [this fun poster](#) to hang around your school. Or borrow from [this list of activities](#) being done across the country for No-Name Calling Week. With stickers, surveys, posters, parent resources and more, GLSEN makes it simple for your school to participate in ways that will be meaningful for your students.

GLSEN has been championing LGBTQ issues in K-12 education since 1990. Their mission is to create safe and affirming schools for all, regardless of sexual orientation, gender identity, or gender expression.
